THE BAROSSA

Made from the Heart.
Of the Barossa.

ABOUT US

The team of Barossans at 'Relish' create gourmet foods inspired by the lifestyle and landscape that defines the beautiful Barossa Valley. Whether it be to entertain family and friends or just to satisfy yourself you can enjoy our quality products every day of the week.

Our small and highly experienced team have gained their experience in a variety of roles at some of Australia's most recognised brands. The result... high quality food production service for our nationally recognised customers.

CONTRACT MANUFACTURING

As contract food manufacturer we also provide a range of products that are currently ranged for various brands across the entire country.

These products include Fresh Soups, Jams, Spreads, Sauces, Marinades, Caramels, Chutneys, Spice blends and Rubs.

We focus on producing foods that retain the bespoke and artisan flavours, textures and colours of their creative beginnings yet also ensure the consistency and reliability we all seek in quality products is maintained.

We offer a range of services to all business sizes covering volumes between 100kg and 600kg per day of finished product packaged as required.

Our HACCP certified production facility includes multiple Steam Jacketed Kettles, Blast Chillers, Emulsifiers, a 40 tray Combi Oven and an adjustable filling line complete with capper, labeller and date coder.

We specialise in Glass and plastic containers between 100g and 1kg in volume can be automatically filled and naturally food service options up to 25kg are available also.
